26th October 2022: Subway® has announced it is expanding its trial of its hot SubMelts™ range, after a successful trial earlier this year. SubMelts™ were initially available in just 40 stores, but they are now landing in almost 500 stores across the UK and Ireland from today, Wednesday 26th October, after they became a hot hit with Subway fans.

Subway's sandwich experts have designed the ultimate toastie combos, with four tasty new flavours being announced – The Big Cheese-Steak, The Supremo, Pizziola B.M.T. ® and V.I.Brie.

New SubMelts™ are pressed and toasted Subs, filled with melted cheese and mouth-watering flavours – and are available as either a 6-inch or a Footlong.

With four delicious new options available to try, Subway fans are going to find them hard to resist! SubMelts™ can also be enjoyed as a meal deal (which includes either a 6-inch or Footlong SubMelt™, drink and crisps or cookie).

Toasties and paninis are an undeniable Irish favourite and these new hot and tasty options have arrived just in time to warm you up this Autumn.

The four tasty new SubMelts™ available are:

The Big Cheese-Steak is a play on the Philadelphia classic, packed with Philly beefsteak, mozzarella, American-style cheese, caramelised red onions, peppers, and topped with

Subway's famous Chipotle Southwest sauce.

The Supremo is perfect for vegetarians; filled with Mozzarella and American-style cheese, pesto, peppers, black pepper and Subway's delicious marinara sauce.

A pizza-Sub hybrid, **The Pizziola B.M.T. ®** is one for the meat lovers, stacked with pepperoni, ham, salami, as well as mozzarella, American-style cheese, peppers, red onions and marinara sauce.

And finally, available for a limited time only and perfect for the winter months, the **V.I.Brie** is French-inspired with creamy Brie, American-style cheese, maple smoked streaky bacon, caramelised red onions, and sweet onion sauce. Bon appétit!

Angelina Gosal, Head of Marketing UK & Ireland at Subway® said: "SubMelts™ proved so popular with our guests during our trial earlier this year and we're really excited to be expanding this hot and tasty new offering to almost 500 stores across UK and Ireland – especially as there's four new flavours to choose from! As the days get colder, we wanted to give our guests something warming to choose and enjoy."

SubMelts™ are being trialled around Ireland, with the list of participating stores available here: <https://www.subway.com/en-ie/Promotions/participating-stores-terms-conditions>
