18th March 2025: Subway® is getting into the Easter spirit this year with two brand-new Hot Cross Bun-inspired menu additions – the **Footlong Hot Cross Bun Slice** and the **Cheesy Bacon Hot Cross Bun Toastie** – both available nationwide from 19th March.

The **Footlong Hot Cross Bun Slice** is a traditionally spiced hot cross bun loaf with sweet sultanas, zesty orange and lemon peel, and is freshly baked in-store daily just like all of Subway's much-loved breads. Served toasted with Cornish Salted Butter for a sweet and salty slice of perfection.

The **Cheesy Bacon Hot Cross Bun Toastie** offers a delicious savoury alternative. Made with the new freshly baked Hot Cross Bun bread, it's packed with layers of streaky bacon, double American-style cheese and topped with BBQ sauce, available as either a Footlong or 6-inch.

Offering something for both sweet and savoury fans, Subway is hopping into the Easter season with its own special twist on the beloved springtime specialty – with all the aromatic spices and sweetness of the traditional hot cross bun but served up in classic Subway style. It's a match made in heaven.

Available in Subway restaurants nationwide from 19th March 2025, as well as online for delivery or click & collect via the Subway® App. Subway's limited-edition Hot Cross Bun range can be enjoyed until end of April or while stocks last.

Cathy Goodwin, Culinary & Innovation Director at Subway® EMEA, said: "We're celebrating spring with a Subway® twist! Combining the nation's love of hot cross buns with our bread-baking expertise, we're excited to unveil our delicious new limited-edition menu

items catering to both sweet and savoury fans. Baked fresh daily and full of flavour, we're sure they'll be a big hit this Easter, so get them while they're hot!"
