**2<sup>nd</sup> April 2025:** Subway® has officially announced the return of its Honey Mustard Sauce after it was discontinued back in 2023, with the fan favourite available in restaurants nationwide from today.

Famed for their wide roster of sauces, Subway's highly missed Honey Mustard Sauce is rejoining the current 10-sauce line-up after a two-year hiatus, combining the sweetness of honey with the powerful zest of mustard to create the perfect tangy addition to any Sub, Wrap, or Salad that adds an extra kick to each bite.

As one of Subway's most beloved sauces, its discontinuation in 2023 caused quite a stir among diehard fans of the classic condiment.

Many fans took to social media to express their love for Honey Mustard and disappointment over the axing of their favourite sauce, with comments and passionate requests for its return such as "*Honey mustard needs a comeback*" and "*Honey mustard or nothing*" spreading like wildfire online.

Luckily for fans up and down the country, Subway have listened to their cries and the much-loved Honey Mustard Sauce is now back with a bang!

**Cathy Goodwin, Culinary & Innovation Director at Subway® EMEA, said:** "We're very excited to bring our Honey Mustard Sauce back to the menu and give our fans back what they've been asking for over the past couple of years. We know it's been greatly missed, and we've listened to all the requests, so we're sure its highly anticipated return will be a huge hit with our fans!"

Honey Mustard Sauce is available in Subway restaurants nationwide from today (2<sup>nd</sup> April 2025), as well as online for delivery or click and collect via the Subway® App.
