Thursday 30th October: Millie Grace Court turned heads last night as she arrived at a London Halloween party, surprising fans in a show-stopping **Subway®-inspired costume** that paid tribute to her all-time favourite order, the iconic **Meatball Marinara Sub**.

Embracing the spirit of Halloween in signature Subway style, the *Love Island* winner swapped glamour for gastronomy, stepping out in a custom-made look that proved a feast for the eyes. The bespoke creation was inspired by every delicious detail of her go-to Sub – making for a bold and playful fashion statement that no one saw coming.

The one-of-a-kind outfit featured Subway's signature meatballs, complete with textured detailing to capture their signature sauce, alongside layers of spicy jalapeños, refreshing red peppers, and zesty red onion, all topped with a generous layer of melting cheese embellishment. The look was then finished with a custom 'Sub' wrap-inspired train, tying the ensemble together with a wink to the brand's iconic packaging.

And what's a fashion moment without the perfect shoes and bag? Accessorised to the max, Millie also sported a pair of sparkly lettuce heels and a custom-made Meatball Marinara handbag.

Always one to have fun with fashion, Millie's look perfectly balanced creativity and confidence, proving that Halloween style can be equal parts playful and chic.

Millie Grace Court, spotted turning heads with her Halloween attire, said: *"Working with Subway® to create this epic Halloween look has been iconic! I mean, who wouldn't want to wear a costume devoted to their favourite sarnie? Halloween is the only day of the year*

where there is a perfect excuse to go all out, and this costume did exactly that!"

EMEA Senior Marketing Director at Subway® Kirstey Elston, said: *"Partnering with Subway® super fan Millie to turn her favourite order into a Halloween costume has been so much fun. We loved bringing her Meatball Marinara obsession to life and hope it inspires others to get creative with their own Halloween looks!"*
